PROFESSIONAL SUMMARY

Quantitative **Performance Marketing & Growth Specialist** with 2+ years of hands-on experience scaling DTC e-commerce brands, high-ticket lead generation, and aesthetic clinics across Egypt, the GCC (Saudi Arabia, Qatar, UAE, Oman), and North America. Proven track record generating **4.2M+ EGP in client revenue** across **5,849+ verified DTC purchases** at a **5.74x–6.55x blended ROAS**. Combines biomedical engineering quantitative rigor with full-funnel media buying across Meta Ads, TikTok Spark Ads, and Google Ads. Operates strictly against unit economics (MER, CAC, AOV, Contribution Margin) and server-side tracking (Meta CAPI, GA4, GTM).

PROFESSIONAL EXPERIENCE

Growth Marketer & Paid Acquisition Consultant · **Independent DTC Portfolio** *2025 – Present Global Remote & MENA*

- Orchestrated full-funnel media buying and growth systems for DTC brands, driving **4.2M+ EGP in tracked revenue** across **5,849+ direct purchases** at a **5.74x blended ROAS**.
- **Skincare & Cosmetics Scale:** scaled gross sales past **1,039,363 EGP (1.04M EGP)** from 99,911 EGP ad spend at a **10.40x blended Purchase ROAS** (587 orders, **1,770 EGP AOV**); peak creative tests reached **21.24x ROAS** on direct Shopify checkout.
- **Multi-Campaign DTC Apparel:** generated **1,909,514 EGP (1.91M EGP)** in purchase value from 332.7K EGP ad spend across **2,053 purchases** at **5.74x blended ROAS** (162 EGP average CPA across 3.7M impressions).
- **Accessories & Watches Scale:** scaled monthly sales past **1.25M EGP** (+100% MoM), executing a **9-day seasonal launch sprint generating 266.7K EGP** (+902% revenue surge) with top ad sets reaching **13.75x peak ROAS**.
- **Tracking Infrastructure:** built server-side tracking architecture with **Meta CAPI, GA4, and Google Tag Manager**, eliminating a 22% attribution drop-off and ensuring 100% data fidelity for Advantage+ and CBO algorithmic bidding.
- **Creative Testing Sandbox:** launched an iterative ABO framework testing 10+ UGC hooks weekly with automated stop-loss rules, reducing creative fatigue by 45%.

Performance Media Buyer · **Promix Marketing Agency** *2024 – 2025* *Ismailia, Egypt*

- Managed and scaled paid acquisition campaigns across **Meta (Facebook & Instagram) and Google Search Ads** for agency client accounts, consistently hitting **4.5x–5.0x blended ROAS** benchmarks.
- Executed multivariate A/B testing protocols across ad copies, hooks, and high-intent audiences, lowering Cost-Per-Click (**CPC by 18%**) and increasing account CTR from 1.2% to 3.4%.
- Collaborated with creative teams to script performance-first UGC video content, optimizing client creative assets for mobile-first social feeds.
- Audited conversion funnels on Shopify and WooCommerce stores, deploying CRO fixes that reduced checkout cart abandonment by **24%**.

Performance Media Buyer (Gulf Region) · **Rakaa** *2024* *Qatar & GCC (Remote)*

- Managed and scaled full-funnel **TikTok Spark Ads and Lead Generation** campaigns targeting affluent demographics in Qatar and Oman.
- Acquired **2,147 verified high-ticket leads** across **6.21M video impressions** at an average Cost-Per-Lead of **1.38 OMR** (active scaling ad sets delivered qualified leads at **0.70 OMR**).
- Scripted hyper-localized video hooks in Gulf dialect and implemented multi-step instant forms with upfront financial qualifiers, boosting sales team qualification rate by **28%**.
- Monitored auction CPM fluctuations daily and pivoted bidding strategies to protect client acquisition economics during competitive seasonal periods.
